

Product Environmental Declaration

Product: CPS-D-24V

Product weights (gram)

Total: 120 _____ Electronics: 31 _____ Cover: 89 _____

Major component materials in the product:

Cover: PC
Printed circuit board: FR4
Electronic components: RoHS compliant
Terminals: Polyamide and nickel plated copper alloy
Fasteners (screws, washers etc.): n/a

Environmental impact during manufacturing:

There are no harmful chemicals used in manufacturing.
There is no documented information on energy consumption for the manufacturing process.

Environmental impact during operation:

There are no known environmental effects of the product in use.

Recommended handling of the product at end-of-life:

The product shall be disposed of in accordance with European WEEE directive. The product is marked with "Wheellie Bin" logo to indicate this requirement.
